Description

Futura Trailers PRO Sport Model Lowering Car Trailer

Rock's Trailer Sales has been a Futura Trailers since they have been available for purchase in the United States. We are a stocking dealer for the trailer and the parts from Futura. Currently, we have 2021 models on order from New Zealand.

The Futura Trailers Pro Sport model is a little over 19 ft in length. It comes with the battery, axles with brakes, a winch that lifts the trailer, new for 2021 high-strength synthetic rigging, a tongue jack, battery, remote, and a solar panel. The frame of the trailer is made of high-strength anodized aluminum with integrated air-track tie-downs to secure your vehicle. The Futura Pro Sport is made with high-performance vehicles in mind, the details in the design show it. The loading angle of the trailer is 3-degrees and the fenders are removable to make for ease of use with your track toy or collector car.

The trailer comes with several options that can be added which are

- Rock Guard - To protect your vehicle from road debris
 - Recovery Winch - In case the vehicle you're towing has mechanical problems
 - Locking Tire Rack - For hauling your spare wheels and tires
 - Spare with Mount - Matching spare wheel with mount (stored under the trailer)
 - Futura Straps - Matching straps for the trailer
- Rock's Trailers is a hands-on dealership. We show every Futura Customer how their trailer works and go over it with them before they leave the lot. If you have any questions feel free to e-mail or call us today. Specs Width 81-in Length 16-ft 5in Load Capacity 5534 lbs. Tail opening 86-in Electric Brakes Both axles We also warranty and repair Futura Trailers so if you need any support with your existing Futura trailer Rock's can help.
