Description

PJ High Side dump trailers are popular with contractors, roofers, and landscapers. Rock's trailer sales stocks PJ dump trailers year round.

The PJ 14 FT high side dump trailer is built to with versatility and strength in mind. This dump trailer comes with an 8-IN steel I-beam frame equipped with tandem 7000# dexter e-z lube electric brake axles for a GVWR of 14000#. Built to haul equipment, this trailer has barn doors with pull out rear ramps as well as a low deck height of 24 inches.

The dump bed of this 14 ft high side dump trailer is 10 gauge steel with 3 in c-channel cross members that are 16-in on center. The bed is 14 ft long 7 ft wide and 48 inches tall with a capacity of 14 yards.

Powered by a 12V DC hydraulic pump that actuates a 5"x 17" hydraulic cylinder built into a a scissor hoist with a 40 degree dump angle. All contained in a tongue tool box that is wired with a

110v trickle charger for the deep cycle 12v battery.
