**Description**

Liberty Industries 6.5 ft x 12 ft Utility Trailer with spring assist ramp gate. Rock's Trailer sales is a proud Liberty Industries trailer dealer serving the Columbus Ohio market. Liberty Industries prides their trailers on being commercial grade and American made.

Customers love the 6.5 x 12 ft size because it is compact but can carry full size side by sides, golf carts, mowers, or other misc items.

This 6.5 ft by 12 ft utility trailer is built using a steel c-channel frame and angle iron cross cross members that are welded 24 inches apart. The steel frame is prepped and powder coated. The deck of this 12 ft utility is 2 in treated pine wood.

The trailer is rated for 2990# gvwr and has a leaf slipper spring suspension using a Dexter axle with E-z lube hubs. The wheels are 15 in steel with radial tires. The ramp gate is steel with helper springs to make it easier to lift. Comes with sealed LED lights.
