Price	\$12,099.00

Description

Rock's Trailer Sales has a large selection of 14 ft dump trailers in stock from PJ, Homesteader, Dura Haul, and Liberty industries. Customers love the 14 ft low pro PJ dump trailer because it has the versatility to haul a small skid steer with an impressive capacity to carry a load.

The PJ Low Pro 14 ft dump trailer features a robust 8" formed I-beam frame design with 7000# dexter drop axles to give this trailer a 24 in deck height. It has a GVWR of 14000#. The bed of this PJ dump features a 10 gauge steel floor with 16 in on center cross members and a form rolled steel side that is 24" high.

The PJ Low Pro 14 ft dump trailer is powdered by a 12v deep cycle battery that runs a hydraulic pump to activate a 5" hydraulic cylinder in a scissor hoist. Comes with 15 ft corded remote and charger.

The gate of this dump trailer is a 2-Way Gate (Barn Doors & Spreader Gate) that can be pinned open to load equipment or material. Comes equipped with pull-out ramps and a

windless tarp.

Click [here](#) for information about financing your dump trailer and how it can save you money versus renting a dumpster.
