Description

The Sport Haven 7 x 18 ft aluminum utility trailer is a top-of-the-line solution for all your hauling needs. Built with a durable aluminum tube frame and a sturdy wood deck, it is both lightweight and strong. The tandem Dexter axles provide added stability and support for heavy loads. The trailer also comes equipped with brakes on both axles for added safety and stability. The radial tires offer a smooth and comfortable ride. The LED lights and weatherproof wiring harness with 7 pin plug ensure that you can tow it safely at any time of the day or night. The aluminum construction makes this trailer rust-proof and easy to maintain, making it perfect for hauling equipment, tools, or materials. Whether you're a professional contractor or a homeowner, this utility trailer is built to last and get the job done.
