Description

Rock's Trailer Sales has a large selection of enclosed cargo trailers in the 7 x 16 ft size range. The ATC Raven 7 x 16 ft cargo trailer is the best in class when it comes to build quality and longevity. ATC trailers are built using a full perimeter aluminum frame. The Raven 7 x 16 ft cargo trailer starts with a 6 x 2 in aluminum tube frame with 16 in on center tubular cross members and 16 in verticals. The aluminum frame provides a lightweight and corrosion resistant chassis that will out last tube steel. Raven limited cargo trailers have a warranty of 3 years.

The Raven Limited 7 x 16 ft cargo is equipped with 3500# Dexter electric brake axles with spring suspension- this gives the ATC Raven a 7700# GVWR. The 16 ft size is popular for contractors or home owners who need to carry cargo in tight areas. 7 x 16 ft cargo trailers are popular with plumbers, pipe fitters, window installers, UTV enthusiasts, and more.

Inside of the ATC Raven 7 x 16 cargo trailer is 3/4 in advantech on the floor and 3/8 in on the walls. The roof has a LED puck light which is powered by the tow vehicle. The inside height is 6 ft 6 in from floor to ceiling.

The exterior of the 7 x 16 ft cargo trailer is 0.030 aluminum skin with screw-less sides. The fenders are smooth mill finish aluminum with LED marker lights. All the exterior lights are LED. The smooth sides are perfect for apply vinyl logos or wrap
