Description

Introducing the PJ 6.5 ft x 12 ft long single axle utility trailer from Rocks Trailer Sales in Grove City, Ohio, just south of Columbus. This trailer is designed to make your hauling experience more convenient and efficient, with a spring assist ramp gate that makes loading and unloading a breeze. The patented read-rail feature is a unique design that adds an extra level of security and stability to the trailer, making it ideal for hauling equipment, tools, and even vehicles. The steel frame and wood deck construction provide a durable, long-lasting and rust-resistant solution. The 6.5 x 12 ft size makes it easy to tow behind your truck or SUV and perfect for small loads or carrying around a lawn mower or golf cart. Stop by Rocks Trailer Sales today and take the first step towards making your work easier with the PJ 6.5 ft x 12 ft long single axle utility trailer!
