Description

The Sport Haven 7 x 12 ft Aluminum Utility Trailer with Wood Deck is a versatile and durable transportation solution that is perfect for all your hauling needs. This trailer features a lightweight aluminum frame and a sturdy wood deck, making it easy to tow and able to handle heavy loads. The aluminum frame is corrosion resistant, ensuring that it will last for many years of use. The wood deck provides a solid and secure surface for your cargo, and can be easily replaced if needed. With a total weight capacity of 2,190 lbs, this trailer is ideal for hauling ATVs, lawn equipment, and other small to medium sized items.

In addition to its sturdy construction, the Sport Haven 7 x 12 ft Aluminum Utility Trailer also comes equipped with a set of LED marker lights, which provide improved visibility and safety while towing. The trailer is also fitted with 15 in radial tires, which provide a smooth and comfortable ride, as well as improved traction and stability. The combination of these features makes the Sport Haven 7 x 12 ft Aluminum Utility Trailer with Wood Deck a top-choice for those who need a reliable and efficient transportation solution. Whether you need to transport equipment to a job site, or just want to bring your toys along on your next adventure, this trailer has got you covered.
