Description

Introducing the Homesteader 20 ft Enclosed Car Hauler with a 10k GVWR and a convenient ramp door. This trailer is the perfect solution for safely and securely transporting your precious vehicles from one location to another. With its spacious 20-foot length, you'll have ample room to accommodate a variety of cars, motorcycles, ATVs, or any other valuable cargo you need to transport. The 8.5-foot width provides enough space to comfortably load and unload your vehicles without feeling cramped.

The standout feature of this car hauler is the ramp door, which allows for easy and efficient loading and unloading of your vehicles. The ramp door is sturdy, durable, and designed to handle heavy loads, making it hassle-free to drive your vehicles onto the trailer.

The Homesteader 20 ft Enclosed Car Hauler is built with strength and reliability in mind. With a 10,000-pound GVWR, this trailer can handle substantial loads while maintaining stability on the road. The robust construction ensures that your vehicles will be well-protected throughout the journey, shielding them from the elements and potential road hazards.

Inside the trailer, you'll find a thoughtfully designed space with tie-down points or tracks to secure your vehicles during transit. This provides added peace of mind, knowing that your valuable assets will remain securely in place, even during bumpy rides.
