Description

Rock's Trailer Sales is a proud Liberty Trailer Dealer located just South of Columbus in Grove City, OH. The Liberty 7 x 20 ft Split Tilt Equipment with wood deck is a great solution for towing pieces of equipment like scissor lifts, trenchers, stump grinders, dingo and/or skid steers. The 16 ft Deck of this trailer tilts back and becomes a ramp. No need to pull out steel ramps or deal with the bucking of a dove tail. Upfront is a 4 ft stationary section that allows users to carry buckets or other attachments.

This Liberty 7 x 20 ft Split tilt equipment trailer is built using a 6 in c-channel a frame tongue with a plate steel deck and 16 in on center cross members. This 20 ft tilt trailer is equipped with two 7000# rated Dexter axles, with brakes on both axles, and EZ lube hubs.
