Description

Introducing the Carry-On 6 x 12 ft Dump Trailer, the ultimate solution for all your hauling needs! With a robust 9990 GVWR, this trailer is built to handle heavy loads with ease. Whether you're hauling construction materials, demolition debris, mulch, yard waste, or any other type of heavy load, this trailer has got you covered.

One of the standout features of this trailer is its convenient electric to hydraulic dump feature, which makes it easy to unload all your materials quickly and efficiently. With just the push of a button, the hydraulic dump system will unload all your materials in seconds, saving you time and effort.

With financing options available, you can own this trailer for a fraction of the cost of weekly rentals. Not only will you save money in the long run, but you'll also have the peace of mind that comes with owning your equipment.

Built by Carry-On Trailers, you can trust that this trailer is made to last. Constructed with high-quality components like Dexter Axles, this trailer is designed to last. With its durable build and reliable performance, you can count on this trailer to get the job done.

So why spend money on expensive weekly rentals when you can own your own trailer for less? Invest in the Carry-On 6 x 12 ft Dump Trailer with financing options available and start hauling with confidence today!
