Description

Rock's Trailer Sales has a huge selection of dump trailers in various sizes located just south of Columbus, Ohio. We are a proud Homesteader trailer dealer stocking the Homesteader dump trailer in several sizes / form factors.

The Homesteader 7 x 12 ft dump trailer is perfect for hauling debris, material or small machinery to the job site. This trailer is built using a tube frame is equipped with two Dexter 6k lbs axles for a 12k gross vehicle weight rating. Each axle is equipped with electric brakes and ez-lube hubs.

This 7 x 12 ft dump trailer uses a 12v electric to hydraulic pump to drive two hydraulic cylinders to lift heavy loads of material or debris. The rear gate is designed to spread or open up as barn door for loading equipment like dingos, skid steers, or small tractors.
