Description

Introducing the PJ 102 IN x 22 ft Deck Over equipment trailer - the ultimate choice for all of your heavy hauling needs. This trailer boasts a strong i-beam frame and is equipped with an adjustable 2 5/16ths ball coupler, ensuring a secure connection to your tow vehicle. The trailer also features dexter axles and a 14k GVWR, making it capable of handling large loads of equipment or material.

Safety is a top priority with the PJ Deck Over trailer. It comes equipped with brakes on both axles and an insulated wiring harness, ensuring a smooth and safe ride. The trailer also features a 7 pin plug, LED lights, and radial tires for optimal performance. For added convenience, the trailer includes a spare tire carrier and pull-out ramps, making it easy to load and unload your equipment.

If you're in the Grove City, Ohio area, be sure to check out the PJ Deck Over trailer at Rocks Trailer Sales. This dealership, located south of Columbus, has a wide selection of top-quality trailers to choose from and a team of experts who can help you find the perfect one for your needs.
