Description

Introducing the Haulmark 24 ft Heat Enclosed Car Hauler, the perfect trailer for transporting your vehicles safely and securely. This trailer is built with durability in mind, featuring a one piece roof and aluminum wheels to withstand the toughest of roads. The wiring package allows for connection to power at campsites or through the use of a generator, ensuring that all of your trailer's systems are powered and working properly. The electric brakes on both axles provide reliable stopping power. Inside, you'll find a rubber coin floor that is easy to clean and maintain, as well as an extended tongue for added storage space. Come visit our dealership in Grove City, Ohio to see the Haulmark 24 ft Heat Enclosed Car Hauler in person.
