Description

Introducing the Haulmark 24 ft Heat Enclosed Car Hauler, the perfect trailer for transporting your vehicles safely and securely. This trailer is built with durability in mind, featuring a one piece roof and aluminum wheels to withstand the toughest of roads. The wiring package allows for connection to power at campsites or through the use of a generator, ensuring that all of your trailer's systems are powered and working properly. The electric brakes on both axles provide reliable stopping power. Inside, you'll find a rubber coin floor that is easy to clean and maintain, as well as an extended tongue for added storage space.
