Description

Introducing the 7 x 14 ft Dump Trailer made by Carry-On Trailers, the perfect solution for all your hauling needs! This trailer boasts a robust 14K gross vehicle weight rating, making it the ideal choice for transporting heavy loads with ease. Whether you're hauling construction materials, demo debris, landscaping supplies, or even equipment, this trailer has got you covered.

One of the standout features of this trailer is its convenient equipment ramps and d-rings. The equipment ramps make it easy to load and unload equipment, saving you time and effort. Whether you're loading up a skid steer, mini ex, or other type of machinery, you'll appreciate the ease and convenience that these ramps provide.

But that's not all - this trailer is also equipped with a powerful hydraulic dump system, making it easy to unload material in just a matter of seconds. No more struggling to manually unload your haul - with this trailer, it's as simple as pushing a button.

Manufactured by Carry-On Trailers, you can trust that this trailer is made to last.

Constructed with high-quality components like Dexter Axles, this trailer is designed to be put to work. And with its large 10,000 lbs capacity, you can haul more materials with fewer trips, saving you time.

So if you're in the market for a durable, reliable, and efficient trailer, look no further than the 7 x 14 ft Dump Trailer

made by Carry-On Trailers.
